

Government of Karnataka

Enhancing Skill Empowering Youth

To bring a *Kaushalya Kranthi* in the State Honourable Chief Minister, Sri. Siddaramaiah set up the **Department of Skill Development, Entrepreneurship and Livelihood** (SDEL) directly under his control and consolidated Skill development initiatives of all departments under one scheme-Chief Minister's Kaushalya Karnataka Yojane to make it more effective.

- The department will impart skill training to 5 lakh youth of the state in 2017, free of cost to make them job ready. It will be followed by assessment, certification and placement.
- Any Interested youth of Karnataka, between the ages of 18-35 years having UID Number, who are illiterate/school dropout/ X /XII pass/fail/undergraduate, under employed workers or out of workforce can avail the facility.
- Special focus will be given to Women (33%), SC (20%), ST (7%), minority (15%) and physically challenged (3%).
- Candidates can either register on *kaushalkar.com* or *Kaushalkar app* that can be downloaded on their android smart phones by clicking on 
- On successful registration, interested candidates will be interviewed telephonically counselled and guided to find whether they are fit for direct placement, apprenticeship or skill training. Nomination for training will depend on the availability of vocational skill provider in the aspired skill domain.
- Assistance will be provided for taking up Self Employment by providing training, market linkages, procuring banking finances etc.

All are welcome to register on this web portal to avail this golden opportunity to obtain world class skill training for decent employment.
